Floor 930

The product information is applicable to the product in the recommended solution for use. If information about the concentrated product is required, please see the MSDS.

PRODUCT TYPE
Alkaline floor care product without polish

APPLICATION
FLOOR 930 has a great cleaning and caring effect.

FLOOR 930 is well suited for all floors which tolerate water.

It is recommended that the floors are periodically washed with Uni Surface 920 in order to avoid too much soap film.

PROPERTIES
FLOOR 930 leaves a strong caring layer which among others is resistant to black marks and salt corrosion. Scratched surfaces are can be repaired.

STORAGE
Store in tightly closed original container. Store above freezing.

Storage:
Durability: 36 months.

ECOLABEL
The Nordic Eco-label (the Swan Label) – licence no. 526 015

SAFETY
Please see the enclosed safety data sheet for information about handling and disposal.
For professional users only.

INSTRUCTIONS AND DOSAGE

1 ml per 1 l water.

Increase the dosing if necessary.

Manual:
Wash:
Apply the solution to the floor and remove the dirty water thereafter.

Build-up of caring layer:
Apply the solution with a mop and let the product dry.

Can be polished to a higher gloss if wanted. Use a clean mop.

Machine:
Fill the solution in the water tank. Wash the floor and remove the dirty water thereafter.
